UTILITIES TERMS, CONDITIONS & REGULATIONS

1. Order with payment & floor plan (for island booths or any booth requiring distribution of electrical services) must be received no later than 21 days prior to the 1st contracted date for advance payment rates to apply. Regular rates apply after the advance deadline and onsite rates apply during exhibitor move in and duration of show. Rates are for the entire show. Orders faxed or mailed without payment and required floor plan will not be guaranteed advance rates. Orders received after the deadline date will be charged at the regular rate. A purchase order or photocopy of a check are not considered valid forms of payment for securing advanced rate.
2. In the event that totals are calculated incorrectly, Edlen reserves the right to make the necessary corrections. Exhibitors will be notified by email or phone of any corrections made. This includes adding the required minimum CFM charges when applicable and labor charges.
3. All booths will require 1 hour of labor and a scaled floor plan.
4. All outlets will be installed on the floor at the back wall of inline and peninsula booths. All services ordered for island booths will be dropped to one location in the booth. Edlen will make every attempt to deliver these services to a location convenient to the exhibitor.
5. The CFM requirements (Cubic Feet per Minute) determine the volume of air required to properly operate exhibitor equipment. CFM is a labor charge for sizing and installation of the service infrastructure.
6. In some instances a pump is required to drain services out of an exhibitor's booth. When this occurs, time & material charges apply. Exhibitors are encouraged to contact Edlen to discuss any potential additional costs.
7. Edlen plumbers make all service connections. Special equipment requiring company engineering or technicians for assembly, servicing, preparatory work and operation may be executed without Edlen plumbers.
8. Service outlet size is determined by the volume required. Air line size is dictated by the CFM requirements. Standard air lines terminate with a 1/2" female iron pipe valve.
9. Compressed Air is supplied during show hours only. If compressed air is required for non-show hours call for a quote.
10. Wall, column and permanent building utility outlets are not part of booth space and are not to be used by exhibitors.
11. Unless otherwise directed, Edlen personnel are authorized to cut floor coverings to permit installing service(s) ordered.
12. Pressure for Water Services may vary. No guarantee can be made of minimum or maximum pressure. If pressure is critical, the exhibitor should arrange to have a pressure regulator valve installed..
13. Gas & Cylinders: When available 1025 - 1030 BTU per cubic foot at 7' water column pressure. Credit will not be provided on unused cylinders.
14. All equipment using water must have inlet and outlet properly tagged.
15. All equipment must comply with state and local codes.
16. Edlen will not be responsible for moisture or water in air lines. Exhibitors should supply their own filter or other equipment to handle moisture or water.
17. For gas cylinders or any other special requirements call Edlen for a quote at the number on the front of the form. Delivery charges will apply to any specialty equipment delivered and removed from the exhibitor booths.
18. Edlen must have 14 days notice in order to supply special regulators, strainers, traps, etc..
19. Claims will not be considered or adjustments made unless filed by the exhibitor in writing prior to close of the event, no exceptions.
20. Credit will not be given for outlets installed or connections made and not used. Notification of cancellation of services MUST be postmarked in writing a MINIMUM of 14 days prior to the first scheduled show date to receive a full refund, less a \$75 administrative fee. If notification of cancellation is received less than 14 days prior to the first scheduled show date, no refund will be issued. Edlen will not refund overpayments, except sales tax, in amounts less than \$15.00, unless specifically requested in writing.
21. Payment in full for all plumbing services provided must be made prior to close of the event.
22. It is agreed that in the event it becomes necessary to turn this matter over to an attorney for collection, or to file a lien, or foreclosure, or otherwise, exhibitor will pay Edlen its attorney fees or applicable agency fees.
23. A service charge of \$25.00 will be assessed for all returned checks or declined credit cards.
